## NEW AUTHORISED NOMINEES / EMERGENCY CONTACTS

### **These nominated people should be:**

- Someone other than those already listed in parent / guardian section
- Over 18 years of age
- Ideally living within 30 minutes of the centre.
- Able to show photo ID on request.

You may add to, or change, this list at any time.

### **Definitions: -**

**Emergency Contact** - This person will be notified of an emergency involving your child if we cannot immediately contact you.

**Consent to medical treatment** - There may be times when your child has an illness, accident or injury and you cannot be contacted. In this case the designated Authorised Nominee will be notified of the emergency and asked for permission to seek medical treatment from a registered medical practitioner, hospital or ambulance; and for the child to be transported by ambulance.

**Authorise administration of medication** - Your permission is required for other people to give consent for the administration of medication to your child. Consider if there is a person who regularly brings your child to the centre and who on occasion may need to complete a medication administration / permission form.

**Collecting the child from the centre** - In the event that we cannot contact you, your permission is required for this Authorised Nominee to collect your child from the centre on your behalf.

**Authorise for an educator to take your child outside the centre** – This Authorised Nominee may authorise for an educator of the centre to take your child outside of the premises.

### **Authorised Nominee 1**

**This person is authorised to carry out the following responsibilities for my / our child.**

Full name:		<input type="checkbox"/> Emergency contact
Relationship to child:		<input type="checkbox"/> Consent to medical treatment
Address:		<input type="checkbox"/> Authorise administration of medication
Mobile:		<input type="checkbox"/> Able to collect the child from the centre
Other contact phone number:		<input type="checkbox"/> Authorise an educator to take the child outside the centre

### **Authorised Nominee 2**

**This person is authorised to carry out the following responsibilities for my / our child.**

Full name:		<input type="checkbox"/> Emergency contact
Relationship to child:		<input type="checkbox"/> Consent to medical treatment
Address:		<input type="checkbox"/> Authorise administration of medication
Mobile:		<input type="checkbox"/> Able to collect the child from the centre
Other contact phone number:		<input type="checkbox"/> Authorise an educator to take the child outside the centre

## UPDATED MEDICAL / HEALTH CARE / DIETARY

Does your child experience any of the following? **Please provide thorough details.** If you have ticked YES to any of the following, the centre Director will issue you with further 'Managing Medical Conditions' policies and forms. Completion and return of these will be **required prior** to your child's commencement.

**Please provide a copy of your child's Individual Action Plan or Medical Management Plan as issued by their medical practitioner.**

**It is the responsibility of parents / guardians to ensure:-**

- **the centre always holds current and accurate medical information for your child AND**
- **that a child MUST NOT attend the centre without current, sufficient medication.**

### Allergies

## **IMMUNISATION STATUS UPDATE (according to NHMR recommendations)**

*Thank you for assisting to keep your child's immunisation status record at the centre up to date.*

*Please provide a copy of your child's immunisation history.*

*Listed below is the National Immunisation Program Schedule (Queensland)*

*In the case of an outbreak of an immunisation preventable illness at the centre, children for whom we do not hold up to date immunisation records will be considered 'not immunised' therefore will be excluded from the centre until such time as up to date immunisation history is provided.*

<b>AGE</b>	<b>DISEASE IMMUNISED AGAINST</b>
<b>BIRTH</b>	Hepatitis B Aboriginal & TSI only - BCG
<b>2 MONTHS (can be given from 6 weeks of age)</b>	Diphtheria-Tetanus-Whooping Cough- Poliomyelitis-Hepatitis B - Haemophilus Influenza type B (HIB) Pneumococcal Rotavirus
